

Request for Qualifications

Weatherization Program Insulation and Mechanical (HVAC) Contractor(s)

Sustainable Resources Center (SRC) www.src-mn.org

I. OVERVIEW

SRC is seeking applications/qualifications from both Insulation Contractors and Mechanical (HVAC) Contractors to contract for United States Department of Energy ("DOE"), Low Income Weatherization Services, administered by the Minnesota Department of Commerce ("DOC"), and delivered by SUSTAINABLE RESOURCES CENTER, INC.

II. INTRODUCTION

Sustainable Resources Center, Inc. (SRC) is a 501(c)(3) nonprofit organization dedicated to advancing the cause of healthy homes. Our mission is to partner with families and communities to create healthy and energy-efficient home environments.

SRC's vision is that all families in Minnesota live in homes that are free of lead, toxins, harmful moisture, mold and pests, are safe, have clean indoor air, and are energy efficient. Working with low-income families for over 40 years, SRC has become a leader in retrofitting homes to be more energy efficient.

III. NATURE OF THE PROJECT

This Request for Qualifications ("RFQ") is to contract with Insulation and HVAC contractors for the United States Department of Energy ("DOE") Low Income Weatherization Program, administered by the Minnesota Department of Commerce ("DOC"), and delivered by SUSTAINABLE RESOURCES CENTER, INC., based in and operating within the State of Minnesota.

Each applicant's qualifications and all contracted services provided by or under the applicant must fully comply with all applicable DOE weatherization assistance and financial assistance program requirements and regulations. This RFQ is limited to contracted insulation and HVAC services specifically described in this RFQ and the program requirements associated with them.

IV. RESPONSE REQUIREMENTS

To obtain a copy of the entire RFQ document please contact:
