

FREE ASTHMA HELP FOR CHILDREN

Minneapolis Asthma Program

To qualify for this free program, a family need to:

- Be a City of Minneapolis resident
- Have a child with asthma under 21

Asthma is often triggered or made worse by common things found in homes such as: dust mites, mold, pets with fur, cockroaches, mice and secondhand smoke.

We want to help reduce these possible asthma triggers. There is no cost to your family.

The Minneapolis Health Department will provide you with:

- A trained specialist to conduct a free walkthrough of your home to find common asthma triggers and discuss ways to reduce or remove them
- Free products like a HEPA air purifier, furnace filter, a HEPA filter vacuum, & a dehumidifier to improve the indoor air quality
- Free allergen pillow and mattress covers
- Free Professional Pest Control
